Dear Parent:

We understand and value the importance of frequent and clear communication with you so that we can work together in making the most of our children's schooling experience. Therefore, we are committed to providing regular feedback about student performance. *EVERY* Thursday, when school is in session, your child will be expected to bring this folder home. Should your child not bring a folder home, or brings home an empty folder please contact your school principal or the Superintendent's Office.

The folder will contain all graded school work, tests, projects, and assignments from the previous week. Please sign and return it no later than the following Monday. Failure to return the folder could lead to disciplinary action against your child. The first envelope is provided free of charge. If your child's folder is lost, replacement folders are available from your school office at a fee of \$3.00.

We are looking forward to an exciting and productive school year and hope that this homework folder enhances the communication process with your child's teacher.

Very truly yours,

Mike Looney  
Superintendent
